

On 24th September 2018, the 5th Board of Directors Meeting of PTT International Trading Pte Ltd (PTTT) is held.

The Board considered and approved the Company's Business Plan and Financial Projection including manpower planning for 2019 onward.

The Company aims to strengthen current trading activities and also continues expanding new activities into greener commodities trading in order to align with PTT Group strategic direction and achieve our vision to be "The World's Leading Company on Energy Trade & BEYOND".

In this occasion, the Company congratulated 2 Board of Directors; Mr. Disathat Panyarachun on promoting as Senior Executive Vice President of International Trading Business Unit and Ms. Donnaya Senanarong on promoting as Executive Vice President, Planning and Risk Control of International Trading Business Unit.

About PTT International Trading Pte Ltd

Established in 2000, PTT International Trading Pte Ltd (PTTT) is the East Flagship for International Trading Business Unit of PTT Public Company Limited (PTT), Thailand's National Oil Company. We are a complete integral circuit for international trading of crude oil, refined petroleum products, petrochemicals, coal, minerals and other products of the PTT Group, covering Asia and the Eastern corridor of global trading market. We also provide Derivatives and Chartering service for a complete one-stop trading solution provider.

We currently has one subsidiary company: PTTT International DMCC in Dubai, United Arab Emirates, and two representative offices in Shanghai, China and Jakarta, Indonesia.
